[IF T-10] This is [my call sign]. The Eastern Rockingham County ARES Training Net will start in 10 minutes.

[IF T-5] This is [my call sign]. The Eastern Rockingham County ARES Training Net will start in 5 minutes.

[PREAMBLE]

This is Whiskey One Romeo Oscar Charlie, W1ROC, net control (NCS) for the Eastern Rockingham County ARES Training Net. My name is [my name, my ITU phonetic call sign].

This net provides information and training on [voice and/or digital] emergency communications. This is a directed net, so please listen carefully to NCS and do not transmit unless requested. The only exceptions are for emergency traffic and relays for stations not heard by NCS.

[TRAFFIC—EMERGENCY & PRIORITY]

Call now with emergency or priority traffic **only**.

[CHECK-INS]

This net is open to all amateur radio licensees. I will call for check-ins in the following order:

- Portable and mobile stations 1st,
- Fixed stations last.

During check-in, give your ITU phonetic call sign slowly and clearly, then spell your call. For example: this is Kilo Bravo One Xray Yankee Zulu, KB1XYZ. Follow this with your first name, your location, and whether you will be participating in tonight's digital training.

- Portable and mobile stations, call now.
- Fixed stations call now and list your power source.

[ACKNOWLEDGE NAMES
& CALL SIGNS]

Digital training participants, start [digital communications application] now, ensure its readiness to transmit and receive, and join the [video conferencing software] meeting.

[TRAFFIC—WELFARE & ROUTINE]

Call now and list your welfare or routine traffic. [ACKNOWLEDGE RESPONDING STATION(S) AS HAVING BEEN CHECKED IN AND TO PROCEED WITH TRAFFIC]
